Dues

Dues are required from the national GEMS and Cadet organizations which covers the costs of some materials, but not all. Cascade Fellowship supports these programs heavily, and regular attendees of Cascade Fellowship pay less in dues because of their financial contributions to these programs through their giving.

It is our desire everyone to be able to attend, so if you need financial assistance, please talk to the GEMS Coordinator, Cadet Head Counselor, or Laura Brink (Children's Ministry Director), at 949-4342.

If your family has children in both GEMS and Cadets, please submit a separate check for Gems and Cadets.
